Rebalancing Instructions within Model Portfolios

I note that in some of the model portfolios available in order to maintain the asset allocation discipline of my chosen portfolio after I have invested Conexim will, from time to time, need to rebalance the holdings in my portfolio to the percentage allocations at the date of my original investment ("**Original Asset Allocation**"). I note that a rebalance will need to be effected on my behalf where the asset allocations in my portfolio drift by the amount specified in the Key Features Document ("**Asset Allocation Drift**") relative to that model portfolio. This pre-authorised rebalance to the Original Asset Allocation will normally be effected by Conexim at 10am (Irish time) on the first business day following the occurrence of the Asset Allocation Drift (the "**Rebalance Date**") provided the Asset Allocation Drift has still occurred at that time.

Where Asset Allocation Drift has occurred in my portfolio, I HEREBY INSTRUCT Conexim to effect, on the Rebalance Date, the number of sale and buy instructions of units in each of the funds in the portfolio, based on the published net asset value of the funds on the Rebalance Date, as are required to restore each of the holdings in the portfolio to my Original Asset Allocation.

I understand and acknowledge that I retain absolute discretion over all investment decisions and that I may by notice in writing to my financial advisor and/or Conexim rescind this/these standing rebalancing instruction(s).

I understand that the above pre-authorised rebalancing instruction(s) is/are designed to maintain the asset allocation discipline of my chosen portfolio after I have invested. I understand that the Original Asset Allocation may change due to market movements and the above pre-authorised rebalancing instruction is intended to restore my investment to the Original Asset Allocation in order to keep my portfolio consistent with my risk appetite as I have described it to my financial advisor.

Should I wish to change into a different portfolio with different asset class allocations, this can be facilitated but will require a new instruction from me accepting the changes in the risk/return characteristics of the chosen portfolio.

Consent and Declaration

1. Declaration

I declare that the information provided by me on this form is correct and I undertake to immediately inform my financial advisor should any of the information change.

2. Receipt and understanding of Terms of Business

This is my application to open an account and for Conexim to provide services, as set out in the Terms of Business (the "Terms").

I confirm I have received a CAKID relating solely to the client assets which Conexim instructs PSIL to provide safe custody and nominee services on your behalf and outlines the Client Asset Regulations as they pertain to Pershing Securities International Limited only.

4. Invitation to treat

I understand that my completing and submitting this form and associated documents (if any) is an invitation to treat and that Conexim, Pershing Securities International Ltd ("PSIL") and Pershing Securities Ltd ("PSL") are not bound by the Terms until such times as a welcome letter is communicated to me and my advisor, an account opened in respect of my investments and funds contributed or in specie transfer of existing funds, shares, or product effected. I further note that the Terms may subsequently change as provided for in the Terms.

5. Investor Declaration

I confirm that I have taken such professional advice as appropriate in connection with the quality, suitability and appropriateness of the investments provided for inclusion in my portfolio. I understand that this means that Conexim will provide their services following my request and without having ascertained whether the service is suitable or appropriate for me and that their services may be provided on an "execution-only" basis. Where Conexim rebalance investments within a model portfolio I confirm that such rebalancing is based on the pre-authorised rebalancing instruction as detailed in the model portfolio guides, which I have received a copy of, and that such rebalancing does not imply that Conexim is making an assessment of suitability or appropriateness for the purposes of providing services to me and if any discretion is employed it is only to rebalance the portfolio to remain consistent with the characteristics for each model portfolio as specified in the model portfolio guides.

6. Express consent to execute order outside of regulated market or multilateral trading facility

Where I have requested that an order be executed in an instrument admitted to trading on a Regulated Market ("RM") or Multilateral Trading Facility ("MTF"), then I acknowledge that PSL may execute such order outside an RM or MTF in accordance with PSL's execution policy and I hereby give my consent for such execution.

I understand that while W-8BEN-E form may confer certain reliefs and exemptions with regards to withholding tax under the terms of the Double Taxation Agreement between Ireland and the United States, it is not the responsibility of my advisor or Conexim to claim or secure any such reliefs or exemptions or notify me should such reliefs or exemptions not be available. To that end, I will take my own tax advice.
