- (ii) a corporation with net assets exceeding SGD 10 million in value (or its equivalent in a foreign currency) or such other amount as the Authority may prescribe, in place of the first amount as determined by:

If Yes, please complete the following table.

- 2 Is this proposal intended to replace any policies with any financial institutions including Friends Provident International in respect of the member? Yes ☐ No ☐

If Yes, please complete the following table.

Name of company	Country of insurance	Type of policy	Sum assured	Year issued

Warning: It is usually disadvantageous to replace an existing life insurance policy or investment-linked life insurance policy with a new one. Some of the disadvantages are:

- i) You may not be insurable on standard terms or may have to pay a higher premium in view of older age or the financial benefits accumulated over the years may be lost.
- ii) You may incur penalties for terminating the existing policy.
- iii) You may incur transaction costs without gaining any real benefit from the replacement.

In your own interest, we would advise that you consult your present insurer before making a financial decision, hear from both sides and make a careful comparison. You can then be sure that you are making a decision that is in your best interest.

6 Investment acknowledgement

Global Portfolio gives you an investment choice from a very wide-ranging menu of investments. Some of the funds which are available to you are classed as specialist funds aimed at professional or experienced investors. If you were investing in such a fund directly yourself, rather than through your Global Portfolio policy, you may have to declare that:

- You have read and understood the information supplied to you and understand the nature of any risks involved.
- You have discussed with your independent financial adviser whether such an asset is appropriate to your investment portfolio.
- You are eligible and able to invest into the fund and have the level of investment knowledge and experience required by the fund manager.
- You meet certain minimum financial requirements.

Ordinarily some of these funds could only be held by professional/experienced investors rather than the general public. Also, information relating to such investments may not be available for distribution in certain jurisdictions. However, when the investment is made through your Global Portfolio policy, we are treated as the professional or experienced investor and this enables policyholders that may not have been able to do so, to access these funds.

Please note that different jurisdictions may impose different criteria on the generally accepted definition of a professional/experienced investor. Full definitions, restrictions and investor requirements can be found in each fund's prospectus/terms and conditions, which are available from the fund manager or your financial adviser. We recommend that you obtain, read and fully understand a copy of the prospectus/terms and conditions for your chosen investment.

Declarations

Attention is drawn to the following declarations. Where we have asked for information that we need to assess before we can accept your application, you must disclose all facts which are material. Such facts are those which an insurer would regard as likely to influence the assessment and acceptance of a proposal. If you are in doubt as to the relevance of any particular information, you should disclose it, as failure to do so could result in you being quoted the wrong terms, a claim being rejected or reduced, or the Global Portfolio policy being invalid.

Verification of identity and address

Friends Provident International Limited Singapore Branch (Friends Provident International) has a legal obligation to verify the identity and residential address of each person who applies for our product.

There are good reasons for doing this. Criminals and terrorists often try to launder money by using false or stolen identities in order to open accounts or place investments with financial institutions such as Friends Provident International. By providing the information and documents requested, you are not only helping Friends Provident International to comply with stringent money laundering legislation, but you are helping to protect your own identity.

We will also require an original or certified copy of a document to verify each applicant's identity and residential address.

Step 1 Verify the identity of each applicant

The required documents to verify identity are:

- A passport; or
- A government-issued identity card (carrying a photograph of the individual).

Where it is not possible to obtain either a passport or a national identity card, two other formal government-issued documents (one of which must contain a photograph) carrying appropriate personal details, which show verifiable reference numbers, may be accepted. Examples would include:

- Driving license with photograph*; and
- Annual tax assessment issued by the tax authorities*

These documents must be certified by a suitable certifier (please refer to [Step 3](#)).

*If this document is used to verify the identity of applicant(s), a separate document from the list will be required to verify the address of applicant(s) in [Step 2](#).

Step 2 Verify the address of each applicant

The document must be issued in the name of the applicant and show the residential address that appears on the application form. In all cases the documents seen should be the most recent available, and no older than three months, unless the document used to verify address is only issued on an annual basis.

Acceptable documents for this purpose include:

- A utility bill, (water, gas, electricity, landline telephone connection), rates invoice, council tax notification

Please note mobile telephone bills, cable TV bills (with the exception of StarHub) and Internet service provider's bills are not acceptable as evidence of address

- A current driving license with photograph
- A tax assessment document
- An extract from the official registrar of electors
- A bank account statement

Please note, statements of credit cards and non-bank cards, such as store cards, are not acceptable

- A state pension, benefit book or other government-produced document showing benefit entitlement
- A letter from the employer of the individual confirming the residential address and the policyholder's position in the company – if the client is the owner/part owner of the company a letter from the company will **not** be accepted. Where the applicant has accompanied a partner or spouse on a work assignment or contract, and they are also an applicant, an employer may confirm the address of a non-employee where a relationship is detailed
- Proof of ownership or rental of the residential address
- A mortgage statement

These documents must be certified by a suitable certifier (please refer to [Step 3](#)).

Step 3 Authentication of documents by a suitable certifier (for each applicant)^

Background

Incorrect certification of documents is one of the main reasons for delays in processing applications. The Isle of Man Financial Services Authority, Friends Provident International's principal regulator, is very specific about how documents are to be certified, and who can perform this function.

Certification of copy documents

The certifier must state on the document:

'I certify that this is a complete and accurate copy of the original documentation that I have seen...'

Signed: (the signature of the certifier)

Name: (the printed name of the certifier)

Position or Capacity: (the position or capacity of the certifier)

Date: (the date of certification)

Improper certification could lead to delays. If the document is more than one page the certifier can either:

- Certify each page individually or,
- Certify the top page and add a statement detailing the number of pages of the original documentation seen.

Who can certify a copy of an original document?

1 – A Regulated Introducer, or authorised employee of a Regulated Introducer

A Regulated Introducer is an introducer which is based in, incorporated in or formed under the law of a jurisdiction where an authority exercises regulatory functions and controls, and has been accepted as regulated through the terms of business process.

2 – A Notary Public, licensed lawyer or solicitor

A Notary Public is a public officer appointed under authority of state law with power to administer oaths, certify affidavits, take acknowledgements and take depositions or testimony.

3 – An authorised representative of an embassy or consulate of the country that issued the identification documents.

4 – Other acceptable person who can certify a copy of an original document, includes:

- A member of the judiciary, a senior civil servant, or a serving police or customs officer;
- A justice of the peace or commissioner of oaths;
- An accountant holding a recognised professional qualification;
- A director or manager of an authorised financial institution in a recognised jurisdiction;
- An acceptable applicant acting in relation to the application;
- A Financial Adviser who has been signed off by Friends Provident International Limited as a suitable certifier (they can only certify on behalf of the brokerage the status was granted for); or
- An employee of Friends Provident International Limited.

Translation of documents not written in English

Where a document submitted for address verification is not written in English, we require the certifier to explain on the document:

- What the document is
- Indicate where the applicant's name and address is printed
- The certifier should also write a statement onto the document to the effect that:

'I certify that the address stated on this document is a true translation of the English address written on the application form...'

Signed: (the signature of the certifier)

Name: (the printed name of the certifier)

Date: (the date of certification)

^Where the applicant is related or a party to the application or they are the applicant, they cannot certify the documents and a third party must act as the certifier.

The information given in this document is based on the understanding of Friends Provident International of current laws and Isle of Man taxation practice as at March 2016, which may change in the future. No liability can be accepted for any personal tax consequences of this policy or for the effect of future tax or legislative changes.

Investment involves risk. Past performance should not be viewed as a reliable guide of future performance. Fund prices may go up and down depending upon underlying investment performance, and the value of your investment cannot be guaranteed. Investments held within a fund may not be denominated in the currency of that fund and the value of those assets can go up and down simply because of movements in currency exchange rates. All fund performance is quoted net of annual charges.

All policyholders are protected by the Life Assurance (Compensation of Policyholders) Regulation 1991 of the Isle of Man, wherever their place of residence.

Investors should be aware that specific investor protection and compensation schemes that may exist in relation to collective investments and deposits accounts are unlikely to apply in the event of failure of such an investment held within investment-linked life insurance policies.
