TAX DECLARATION AND SELFCERTIFICATION

FOR ENTITY INVESTORS (FOR CORPORATE AND TRUSTEE INVESTORS)

USING THE EDITABLE FIELDS?

To ensure your information is saved correctly, we recommend you save the form to your desktop before you start completing the required fields.

Introduction

Under Automatic Exchange of Information (AEOI) regulations we are required to obtain various details of our investors, including where they are established, countries of tax residence*, related tax identification numbers** and their 'self-certification' that the information they provide is true and complete. We may have to provide this information to our domestic tax authority who may share it with overseas tax authorities. We may also have to collect and record information about parties linked to you, which are referred to as 'Controlling Persons'. We may have to provide this information to the tax authority where Utmost International is based, who may share the information with overseas tax authorities.

An entity is a legal person or legal arrangement as opposed to a living individual. Examples of entities would be companies, trusts or foundations.

*Country of tax residence

Each jurisdiction has its own rules for defining tax residence. Normally an Entity is tax resident where it is established or conducts the majority of its activity. Because tax residence is determined by the country or countries in which tax is paid, it is possible to be tax resident in more than one country at the same time.

**Tax Identification Number (TIN)

A TIN will be the unique code or an equivalent number assigned by a jurisdiction to identify an Entity for the purpose of administering tax laws. This is normally the number used when corresponding with a tax authority. This could be a specific tax identification number, or an equivalent unique reference. Further information on the issuance rules for TINs and their format is on the OECDs website: http://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-identificationnumbers/#d.en.347759

Change of Circumstances

The information provided in this self-certification will remain valid unless there is a change of circumstance which affects or alters that information. If we receive information which suggests the Entity's country of tax residence has changed, we may ask you to complete another self-certification. You must notify us if there is a change in circumstance that makes this form incorrect or incomplete.

Please tick/complete this form, as applicable, using BLOCK CAPITALS and blue or black ink.

NOTES
