Important notes - Reserve

- A specimen policy document and/or copy of this completed form are available on request.
- 2 You are advised to satisfy yourself/selves that, under any taxation, exchange control or insurance legislation to which you may be subject, you are permitted to effect the policy.
- 3 You should seek guidance from your financial adviser as to the suitability of the policy to your own particular circumstances. Reserve should be regarded as a medium to long-term investment (five years or more).
- 4 You are obliged to provide the information as required in this application we will be unable to proceed with your application unless all relevant information is provided. Information which you provide in connection with this application and any subsequent policy will be held (whether stored electronically or otherwise), used or disclosed by Friends Provident International or any associated company that exists from time to time. You have the right to obtain access to and to request a correction of any personal information about you. Requests can be made to the Data Protection at Royal Court, Castletown, Isle of Man, British Isles IM9 1RA.
- **5** Each policy is governed by and shall be construed in accordance with the law of the Isle of Man.
- 6 A politically exposed person is a person appointed by a foreign government or an international organisation to a high profile position, who has held that position within the last 2 years. It is also a family member or a close business associate of such a person. This includes: heads of state; Government ministers; senior government officials; senior judges or military officers; senior executives of publicly owned companies; important political representatives, such as an ambassador. This applies to the applicant, policyholder, life assured, premium payer, beneficiary and any other party connected to the application.

7 Investment acknowledgement

Reserve gives you an investment choice from a very wide-ranging menu of investments. Some of the funds which are available to you are classed as specialist funds aimed at professional or experienced investors. If you were investing in

such a fund directly yourself, rather than through your Reserve policy, you may have to declare that:

- You have read and understood the information supplied to you and understand the nature of any risks involved.
- You have discussed with your financial adviser whether such an asset is appropriate to your investment portfolio.
- You are eligible and able to invest into the fund and have the level of investment knowledge and experience required by the fund manager.
- You meet certain minimum financial requirements.
 Ordinarily some of these funds could only be held by professional/experienced investors rather than the general public. Also, information relating to such investments may not be available for distribution in certain jurisdictions. However, when the investment is made through your Reserve policy, we are treated as the professional or experienced investor and this enables policyholders that may not have been able to do so, to access these funds.

Please note that different jurisdictions may impose different criteria on the generally accepted definition of a professional/experienced investor. Full definitions, restrictions and investor requirements can be found in each fund's prospectus/terms and conditions, which are available from the fund manager or your financial adviser. We recommend that you obtain, read and fully understand a copy of the prospectus/terms and conditions for your chosen investment.

8 Liquidity information

Some funds may have restrictions on their ability to pay redemptions due to the type of underlying investments they hold. This could limit your ability to raise cash from the fund in the future.

Investment into specialist funds should be considered a long-term investment. You, in conjunction with your financial adviser, should consider the amount you invest via your policy if it is likely that you will need access to your capital quickly in the future.

Declarations - Reserve

Attention is drawn to the following declarations. Where we have asked for information that we need to assess before we can accept your application, you must disclose all facts which are material. Such facts are those which an insurer would regard as likely to influence the assessment and acceptance of a proposal. If you are in doubt as to the relevance of any particular information you should disclose it, as failure to do so could result in the policy being invalid.

1 Investment declarations

Before you invest in any assets through your Reserve policy, we want to ensure that you are aware of the nature and possible risks associated with them. Would you therefore please make the following declarations:

- a) We understand that we may choose the investments to which our Reserve policies are to be linked.
- b) We acknowledge that it is our responsibility to ensure that the asset is suitable, considering our underlying investment objectives and attitude to risk.
- c) We confirm that we understand certain assets may have restrictions on their ability to raise cash in the future, and that further details are included in the prospectus or terms and conditions for the respective underlying investment. We understand the risks associated with investing in these assets.
- d) If we choose to invest into specialist funds aimed at professional investors, we acknowledge that it is our responsibility to obtain, read and understand the fund prospectus.
- e) We acknowledge that Friends Provident International is not responsible for the investment performance or any loss suffered or reduction in the value of our Reserve policy, arising from my/our chosen investment. Friends Provident International does not have any responsibility for the investment management of the assets within our policy and Friends Provident International does not approve any asset as a suitable investment.

Declarations - Reserve (continued)

- f) We acknowledge that Friends Provident International reserves the right to reject any asset, for example, if certain administration criteria are not met.
- g) We acknowledge the purchase of our investments may be delayed if Friends Provident International requires a signed declaration in respect of our chosen investments.
- h) We acknowledge that the purchase of our investments are processed according to the terms and conditions of the relevant institution that cash is being invested with.
- i) We acknowledge that specific investor protection and compensation schemes that may exist in relation to collective investments and deposit accounts are unlikely to apply in the event of failure of such an investment held within insurance policies.

It is also a family member or a close business associate of such a person. 8 Specialist Fund Acknowledgement

We offer products that provide access to a wide range of funds, known as mirror funds, that invest in all the major asset classes and geographic regions of the word. Some of these mirror funds invest into funds which are classed as specialist funds, aimed at professional or experienced investors. If you were investing into such a fund yourself, rather than through one of our mirror funds, you may have to declare that:

- You have read and understood the information supplied to you and understand the nature of any risks involved.
- You have discussed with your financial adviser whether such an asset is appropriate to your investment portfolio.
- You are eligible and able to invest into the fund and have the level of investment knowledge and experience required by the fund manager.
- You meet certain minimum financial requirements.

Ordinarily some of these funds could only be held by professional/experienced investors rather than retail investors. Also, information relating to such investments may not be available for distribution in certain jurisdictions. However, when the investment is made through your policy, Friends Provident International is treated as the professional or experienced investor and this enables policyholders that may not have been able to do so, to access these funds.

Please note that different jurisdictions may impose different criteria on the generally accepted definition of a professional/experienced investor. Full definitions, restrictions and investor requirements can be found in each fund's prospectus/terms and conditions, which is available from the fund manager or your independent financial adviser. Friends Provident International recommends that you obtain, read and fully understand a copy of the prospectus/terms and conditions for your chosen investment.

9 Liquidity Information

Some of our mirror funds may have restrictions on their ability to pay redemptions due to the type of underlying investment they hold. This could limit your ability to raise cash from the fund in the future.

Investing in funds should be considered a long-term investment. You in conjunction with your financial adviser, should consider the amount you invest via your policy if it is likely that you will need access to your capital quickly in the future.

Declarations - Zenith or Summit

Attention is drawn to the following declarations. If the application form requests information which has to be assessed by Friends Provident International before acceptance, you must disclose all facts which are material. Such facts are those which an insurer would regard as likely to influence the assessment and acceptance of a proposal. If you are in doubt as to the relevance of any particular information you should disclose it, as failure to do so could result in you being provided with the wrong terms, a request being rejected or reduced, or the policy being invalid.

1 Fund Acknowledgement

Before you invest in any assets through your policy, we want to ensure that you are aware of the nature and possible risks associated with them. Would you therefore please make the following declarations:

- a) We understand that we may choose the investments to which our policies are to be linked.
- b) We acknowledge that it is our responsibility to ensure that the asset is suitable, considering our underlying investment objectives and attitude to risk.
- c) We confirm that we understand certain assets may have restrictions on their ability to raise cash in the future, and that further details are included in the prospectus or terms and conditions for the respective underlying fund. We understand the risks associated with investing in these funds and understand that we may be investing into funds not aimed at the general public and agree to investments in such funds.

Declarations - Zenith or Summit (continued)

- e) We acknowledge that Friends Provident International is not responsible for the investment performance or any loss suffered or reduction in the value of our policy, arising from our chosen investment. Friends Provident International does not have any responsibility for the investment management of the assets within our policy and Friends Provident International does not approve any asset as a suitable investment.

Further information

The information given in this document is based on the understanding of Friends Provident International of current laws and Isle of Man taxation practice, as at January 2015, which may change in the future. No liability can be accepted for any personal tax consequences of this policy or for the effect of future tax or legislative changes.

Investment involves risk. Past performance should not be viewed as a reliable guide of future performance. Fund prices may go up and down depending upon underlying investment performance, and the value of your investment cannot be guaranteed. Investments held within a fund may not be denominated in the currency of that fund and the value of those assets can go up and down simply because of movements in currency exchange rates. All fund performance is quoted net of annual charges.

All policyholders are protected by the Life Assurance (Compensation of Policyholders) Regulation 1991 of the Isle of Man, wherever their place of residence.

Investors should be aware that specific investor protection and compensation schemes that may exist in relation to collective investments and deposit accounts are unlikely to apply in the event of failure of such an investment held within insurance contracts.

Complaints we cannot settle can be referred to the Financial Services Ombudsman Scheme for the Isle of Man.

Some telephone communications with Friends Provident International are recorded.

Each policy is governed by and shall be construed in accordance with the law of the Isle of Man. However, this will not preclude the right to bring legal action in a Hong Kong court. If you effect a policy whilst resident in the United Arab Emirates, all disputes regarding your investment will be subject to the non-exclusive jurisdiction of the courts of the United Arab Emirates.
